Palm Beach

- 1955  
nior College

W. Kina

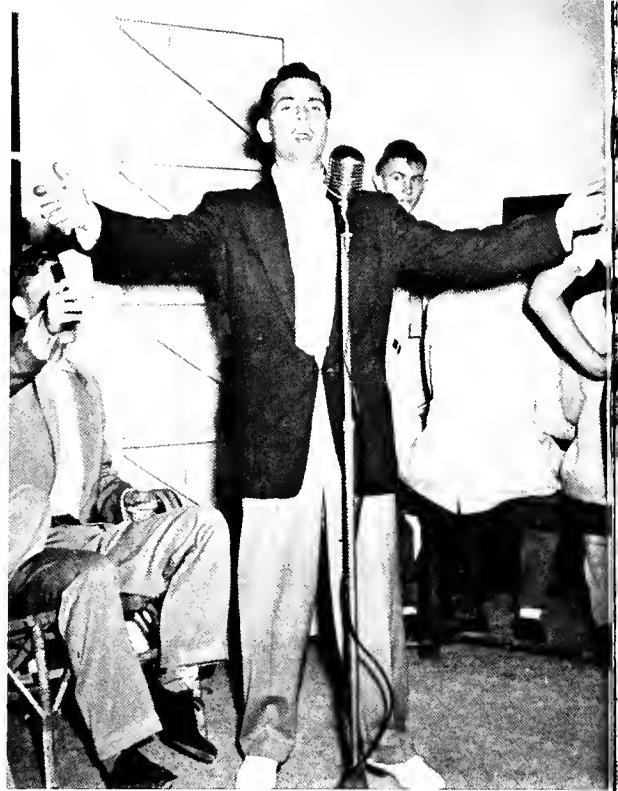

IN THE PAST Palm Beach Junior College has been a wanderer-- home has been wherever there were loyal friends and supporters. After twenty-two years of hopeful searching, Junior College is still seeking a permanent home, one in which she can at last settle down, develop, and expand.

IN THE FUTURE Palm Beach Junior College will have its home-- a modern plant that will educate future citizens.

WITH DEEP REVERENCE in our hearts for our nomad college we dedicate this, our 1955 GALLEON, to all those faithful friends and patrons who have striven and will continue to strive in their efforts for a permanent home for our great college.

In September of '53 P.B.J.C. welcomed a new, eager, and conscientious group of students. These students are now the sophomores of '54, the aristocrats of the campus.

To guide them through their first year, the members of the class chose Monte Markham, President; Wayne Snyder, Vice President; Kathy Newlon, Secretary; and Russell Kartrude, Treasurer. When Snyder and Kartrude left us for the service, Jimmy Booth and Bob Grant were elected Vice President and Treasurer respectively to take their places. The high light of the year was the sophomore-freshman banquet at the Coral Beach Club in Palm Beach.

## *Class Officers*

Above: Katherine Williams, Lynn Wagnon, Norman Kreiser, Barbara Johnson.

At the beginning of the year the Class of 1956 was warmly welcomed by the faculty and sophomores of P.B.J.C. After orientation, they were more firmly established in their new home of learning by several get-acquainted parties.

Elections were held and the following class officers were chosen to lead them in their first year of college life: Norman Kreiser, President; Barbara Johnson, Vice President; Katherine Williams, Secretary; and Lynn Wagnon, Treasurer.

Not only will their lives be enriched by their junior college experiences, but also many of them will actually decide upon the walk of life they plan to take.

The patient's head is turned to the side, and a small tag with the letters "W.H.C." is visible around their neck. The nurse is holding a small cup or container towards the patient's mouth. On the bed next to the patient, there is a tray holding medical instruments, including a pair of forceps and a scalpel. In the background, there is a window with multiple panes.
